# WHERE LEARNING COMES TO LIFE

With our small class sizes and low student-teacher ratios, we foster a true love of learning, engaging students and encouraging them to explore their interests and passions within a positive and supportive environment.

Ages: 18 months-12 years  
Tempe Montessori School is accredited by the Association Montessori Internationale which insures that schools maintain Montessori educational principles and standards. Students have advanced academics under the guidance of the same trained teacher for 3-6 years, multi-age groups with peer teaching, special manipulative materials to introduce every new learning concept, and free choices based on each child's unique interest and ability. Lessons include language, reading, writing, geography, mathematics, science, music, art, history, foreign language and computers (at age 6). Children cultivate concentration, motivation, self-discipline, a love of learning for life, and achieve above the national average on the Stanford 9 standardized tests, with the mean score of 90th percentile for 2008. Music, yoga, art and farm animal care are included in the after school program. Tours anytime.

A leader in education in the Valley, Tesseract School prepares students to excel in college and beyond, lead lives of purpose and become ethical and compassionate citizens with a global perspective. Tesseract's innovative educational approach engages students in learning, enabling them to master the basics and become critical thinkers. Tesseract educates the whole child by focusing on important core academic skills while enriching the curriculum with performing and visual arts, foreign language, technology, physical education and service learning. In a climate of achievement, students enjoy a unique educational experience that develops inquisitive and reflective young adults with the maturity to meet academic, social and emotional challenges. As a non-profit, independent private school for students in preschool through grade 12, resources are directed to recruit and retain outstanding educators and continually enhance the school's two campuses in Phoenix and Paradise Valley. Bus service; financial aid and high school scholarships available for all who qualify. NAEYC and NCA accredited; member of NAIS and AAIS. Morning and evening extended care and summer programs available. For Information visit [www.tesseractschool.org](http://www.tesseractschool.org) or call 480-991-1770. Laurence Harris, Director of Admissions

Pardes Jewish Day School combines academic excellence in general studies with an outstanding liberal Jewish education featuring individualized instruction and low teacher-pupil ratios to get children off to the best possible start. We also provide a loving, nurturing environment in which a child can grow to his/her potential, developing self-esteem and character while learning to value others as well as the world around us. Our well-rounded program includes outstanding academics, physical education, computer lab, music (both vocal and instrumental), art and Spanish. Call to arrange a tour and interview. Ask us about our test scores! Extended day program available.

A leader in education in the Valley, Tesseract School prepares students to excel in college and beyond, lead lives of purpose and become ethical and compassionate citizens with a global perspective. Tesseract's innovative educational approach engages students in learning, enabling them to master the basics and become critical thinkers. Tesseract educates the whole child by focusing on important core academic skills while enriching the curriculum with performing and visual arts, foreign language, technology, physical education and service learning. In a climate of achievement, students enjoy a unique educational experience that develops inquisitive and reflective young adults with the maturity to meet academic, social and emotional challenges. As a non-profit, independent private school for students in preschool through grade 12, resources are directed to recruit and retain outstanding educators and continually enhance the school's two campuses in Phoenix and Paradise Valley. Bus service; financial aid and high school scholarships available for all who qualify.

NAEYC and NCA accredited; member of NAIS and AAIS. Morning and evening extended care and summer programs available. For Information visit [www.tesseractschool.org](http://www.tesseractschool.org) or call 480-991-1770. SEE OUR AD BELOW AND ON INSIDE FRONT COVER

Gateway Academy is a private K-12th grade day school specializing in students with Asperger's Syndrome, High Functioning Autism and PDD-nos. We are the only school in the State of Arizona solely specializing in this population. Gateway Academy is deeply committed to serving the unique educational needs of students with NLD. We believe that the combination of a safe and supportive environment, a predictable schedule, an integrated curriculum, innovative teaching strategies, and well trained faculty enable us to make a significant difference in the lives of our students. For children and young adults, Gateway Academy can be the stepping-stone toward fulfilling college and career goals and enjoying happy and productive lives.
